SEPTEMBER 4TH-7TH, 2018

Passport Days is a community wide event the week before the start of preschool. Older siblings and playmates are back in the classroom and we see it as a unique opportunity to celebrate our youngest residents. The event brings preschool aged children (and younger) together to participate in the community with a special focus on giving back.

Participant registration for passport days is free and begins on August 21, 2018
